PROFILE

I am a Front End Web Developer based in New Delhi, India. Right now I am pursuing BCA from Guru Gobind Singh Indraprastha University. I am actively looking for opportunities that will help me in growing/building my tech stack in field of Web Development.

I am still a learner who still needs to learn lot of cool things. Please ping me up if you have anything interesting or want to share a powerful framework, a useful library, some css-tricks. I love to code, listen hardcore metal/soft music.
